

Environmental Management Policy Statement

This company wishes to act responsibly with respect to the environment and to reduce the incidences of waste. Our company is primarily engaged in live events. The related activities are not known to create severe pollution problems; however, Brähler ICS UK Limited is committed to:

- Prevention of pollution and continuous improvement of our environmental performance throughout the organisation and its activities by means of an environmental management system. This commitment is communicated, implemented and maintained at all levels in the organisation.
- Set objectives and targets relating to Environmental Performance.
- Seek to utilise technologies that minimise energy and reduce waste.
- The company encourages the education and training of its employees and contractors on environmental issues.
- The company's policy is to meet and where practical, exceed the requirements of all applicable legislation and standards.
- Make our environmental policy and objectives publicly available to interested parties upon request.

Honouring this policy will enable Brähler ICS and its employees, customers and sub-contractors to make meaningful contributions to the quality of the environment.

S. M. Sainsbury
